

MINERS ARE AGAINST IT.

At Present the Outlook at Scranton is That the 10 Per Cent Proposition

WILL BE FINALLY REFUSED.

Miners in Session Again Today, But Deliberations Are Secret.

"MOTHER" JONES TO THE MEN

"Angel of the Strikers" Leaves For the Convention, to Appeal to the Miners to Accept the Compromise and Save Their Union.

[News-Democrat Leased Wire Service.] Scranton, Pa., Oct. 13.—The miners' convention was called to order at 9 o'clock this morning, by President Mitchell. The work of the convention will be strictly private.

Wilkesbarre, Pa., Oct. 13.—Operators here declare they will make no other concession than the 10 per cent increase. From what they hear of the convention proceedings and the feeling of the delegates they are convinced that no settlement will result from the meeting. The union must commence, on Wednesday next, to support its striking members.

"MOTHER" JONES LEAVES.

Hazleton, Pa., Oct. 13.—"Mother" Mary Jones, called the "Angel of the strikers," left here last night for Scranton, where she expects to settle the strike.

Said she: "I fear the hot heads will refuse the 10 per cent offer, and demand so much that the operators won't even consider it. Half a loaf is better than none. If we can get the 10 per cent offer safeguarded for a year, as President Mitchell wishes, we will

SAVE THE ORGANIZATION, strengthen it, and be ready then to make further demands. If refused, I fear we shall be crushed by the troops, and then the miners will be left worse off than before.

"I have been abused as a firebrand. I shall show my real character by bringing peace. This will not detract from President Mitchell's glory. He is a great, cool leader, but I, whom the miners love, can talk to them as even he can't. The strike will be settled Saturday evening."

Scranton, Pa., Oct. 13.—The convention of United Mine Workers will close late this afternoon without settling the strike. A counter proposition will be made to the operators. The miners will concede one or two points and will ask the operators to make them certain concessions. Two points they will stick to are a ten per cent advance and the abolition of the sliding scale. They will ask that a ten per cent advance be given them on the gross earnings instead of the net earnings, leaving powder \$2.75 per keg. The convention is proceeding harmoniously. President Mitchell is having complete control.

Mother Jones has arrived but what she is accomplishing in the convention can not be learned.

AT PANTHER CREEK. Mahanoy City, Pa., Oct. 13.—The strike sentiment is gradually growing weaker around Panther Creek valley. Today only 200 men are out around Coal Dale. Troublesome element is apparently quieting down.

COST OF THE STRIKE. Philadelphia, Pa., Oct. 13.—The present anthracite coal strike has cost the United States nearly \$13,500,000 in wages, transportation, charges and profits. The greater part of the burden falls on Pennsylvania.

BOERS PEGGING AWAY.

Keep on Harrassing Gen. Boers, While That Worthy Is Greatly Perplexed.

[News-Democrat Leased Wire Service.] London, Oct. 13.—Lord Roberts reports several attempts by the Boers to interfere with British communications. He says the persistency of the Boers is somewhat remarkable.

Roberts states that DeWet's men are greatly scattered in the neighborhood of the Vaal river. Many of the enemy deserted, after the fighting on the 10th. The British lost two killed and four wounded in a skirmish at Nelspruit.

Hafer Withdraws.

[News-Democrat Leased Wire Service.] Columbus, Oct. 13.—George L. Hafer, of Troy, has withdrawn from the Middle-of-the-Road Populist electoral ticket. He is the third to withdraw since the charge was first made that the ticket had been gotten up through the scheming of Republican Chairman Dick.

Gardner Flunks Out.

Akron, Oct. 13.—Eddie Gardner telegraphed from Wheeling to the management of the North End Athletic club,

breaking his match with Art Simms. Gardner and Simms were matched to fight 20 rounds as the star attraction at the Weldon benefit show here October 22, but he now refuses to fight on the terms agreed upon. The men were to have weighed in at 6 o'clock, at 123 pounds, but Gardner now demands 128 pounds ringside. Simms claims he cannot make the weight and be strong, so the match was declared off. Simms will now undoubtedly be matched to meet Johnny Whittaker, as there has been bad blood between the two for some time, and they have long been trying to arrange a match.

FERRELL'S TRIAL WILL BEGIN.

Young Man Who Killed Express Messenger Lane

WILL BE TRIED THIS MONTH.

His Case Will Be Called Monday—National Guard Matters—The News of a Day at Columbus.

From a Staff Correspondent. Columbus, Oct. 13.—The trial of Roslyn Ferrell, the Steubenville lad who confessed to the killing of Charles Lane, the Adams Express messenger, will begin Monday at Marysville, Union county. All the witnesses, who are mostly residents of Columbus and Steubenville, have been served with subpoenas and it is believed little difficulty will be experienced in getting a jury.

Ferrell is said to be in excellent health and ready for the trial. He is not melancholy. Miss Lillian Costlow, who was to have been married to Ferrell, is one of the witnesses. The silly sympathy that misguided girls showed for Ferrell after his arrest is not at all in evidence now.

Friday afternoon Assistant Attorney General J. E. Todd in compliance with a request from Adjutant General Gyger issued an opinion that contributing members of the Ohio National guard are exempt from serving on juries and working on roads. Members of the Eighth regiment, for years have been taught to believe that such exemption privileges were accorded all guardsmen and it is stated that there is a statute somewhere which specifies that this is the case.

Yesterday Major Critchfield presented a claim at the adjutant general's office for \$100 alleged to be due company H of the Eighth regiment since 1899. Auditor of State Gilbert ruled that the sum could not be paid now as the fund for the payment of delinquent accounts incurred during the Spanish war lapsed last April. Critchfield declared that the fund should have lasted until a year later.

Hon. R. W. Taylor, who was assigned to speak at Canal Fulton, Stark county, with W. B. Davis, of Sydney, on the night of October 20, will have to go it alone there as Davis's engagement has been cancelled.

In the case of the Diebold Safe & Lock company against Fredricka Younginger, administratrix, which, as stated was argued in the supreme court yesterday, Attorney Wilkins, of Cleveland, appeared for the plaintiff and Attorney C. C. Bow, of Canton, for the defendant.

Former Lieutenant Governor Asa W. Jones, of Youngstown, called on Governor Nash yesterday afternoon.

CANTON HIS HOME.

That Is What a Fellow Charged With Theft States at Alliance.

Special to News-Democrat.

Alliance, Oct. 13.—Clarence White, giving his home as Canton, was this morning, bound over to the grand jury, by Mayor Walker. White boldly walked into the Chase house, it is alleged, and walked out with a satchel containing \$60 worth of mackintoshes, the property of a traveling man. The police found the goods in his possession. His bail was fixed at \$1,000, which was not furnished. He will be taken to Canton tonight. He says a man gave him the goods.

The Alliance Gas and Electrical company have started to drill seven wells in the city limits.

The Northeastern Ohio Oil and Gas company has been organized, with a capital of \$20,000. They will drill in Smith township. The members are employees of the Morgan works and the Steel Casting company.

ENORMOUS REGISTRATION.

New York City Shows a Huge Increase—Total Will Reach 255,000.

[News-Democrat Leased Wire Service.] New York, Oct. 13.—There is no apathy among the voters in Greater New York.

Yesterday's registration was enormous. The estimated total is 254,967, against 165,617 two years ago. The same conditions are reported from up-state cities.

CYCLERS FINISH THE RELAY RUN.

Arrived in Wheeling 19 Minutes Ahead of Schedule Time.

CROWDS SAW THEM START.

And the Schedule Was Kept Up Well Along the Route to the Nail City—Pigeons Were Also Liberated.

Shortly before 7 o'clock Saturday morning the crowds of bicycle enthusiasts began gathering in front of the McKinley homestead in North Market street to see the first pair of riders start on the relay run for Wheeling.

Edwin J. Heffelman, who has the matter in charge from the Canton end, went to the McKinley home and was given a sealed message from President McKinley, to be delivered to the Republicans at Wheeling by wheelmen running in relays.

The message was placed in a canvas satchel and delivered to riders W. H. Hug and P. O. Shraake, who were to take it to Massillon and then turn it over to two other riders, who would speed it on toward Wheeling.

The start was made at 7 o'clock sharp, the riders turning down to Cleveland avenue, as there were fewer obstructions on that street. Those who attempted to follow them on wheels were soon left in the rear, the riders going at a merry pace.

PIGEONS STARTED ALSO.

After the riders started, the spectators repaired to the city lot, on Third street, to see the homing pigeons liberated. Instructions had come from Wheeling changing the hour for liberating them from 11 o'clock, as first announced, to 7. When the hamper was opened, the birds, sixteen in number, sped skyward, and it did not take them a minute to get their course. One strong flyer assumed the lead. They flew east a short distance, then turned south, finally shaping their course a little east of south, speeding away on their homeward flight, soon disappearing from view.

Each relay was instructed to telegraph to Canton and Wheeling the hour of arrival at the different stations, in order to keep both ends of the line advised of the progress made.

BULLETINS COME IN.

Telegrams commenced coming about 7:30 announcing the progress of the run.

Hug and Shraake made the run to Massillon in 26 minutes, being six minutes behind the schedule time. Local wheelmen consider this a good run, however, as the schedule was too fast between these two points.

The run to Navarre, five miles, was made in 18 minutes, making up two minutes of the lost time.

The time from Navarre to Beach City is not given, but the message reached Strasburg, twelve miles from Navarre, at 8:32 the run being made in 48 minutes, 8 minutes behind schedule time.

From Strasburg to Canal Dover the six miles were made in 15 minutes, this being schedule time for the distance, none of the lost time being made up.

The 4½ miles from Canal Dover to New Philadelphia was made in 13 minutes, making up two minutes of the lost time.

From there to Midvale, 5 miles, was made in 11 minutes, the Wible brothers

MAKING UP FOUR MINUTES of the lost time, so that at that point the message was only two minutes behind the schedule, forty miles from the starting point, at 9:11 a. m.

AHEAD OF SCHEDULE

The Cyclers Arrived in Wheeling—No Mishaps—President's Message Read.

Special to News-Democrat.

Wheeling, Oct. 13.—The relay riders arrived at Wheeling at 1:15 Canton time, 19 minutes ahead of schedule time.

There were no mishaps along the road.

The message from President McKinley was delivered to President Archer, of the Intelligencer Co., and was read at the Republican field day exercises at the fair grounds, this afternoon.

It was a message from the president to the people of West Virginia. It emphasizes the issues of money, the tariff and national honor.

The pigeons, which arrived before noon, carried this message:

"May the flight of the birds be as true as the heart of our noble president and citizen, William McKinley."

"E. J. HEFFELMAN."

Gray Is Chosen.

Washington, Oct. 12.—It is understood that the president has elected Judge George Gray, of Delaware, to represent the United States, with ex-President Benjamin Harrison on The Hague permanent arbitration tribunal. Judge Gray is a former senator from Delaware and a Democrat. He was a member of the Paris peace commission and is now a United States judge for the third judicial circuit. His selection will not involve the surrender of that position.
